Influenced Tribute Shows are a dynamic, musical arrangement of rich vibes and dazzling harmonies for the music-loving crowd.

Each performance is Neo Soul, R&B or Jazz themed featuring covers by the artists who influence us to sing, to move, to stay in love with music. Artists like D'Angelo, Erykah Badu, Jill Scott, Stevie Wonder, Chaka Khan, The Jackson 5, Sade, Ella Fitzgerald, Duke Ellington and so many more.

We also customize our themed set lists for client's special needs and specific requests. We provide just the right entertainment for your private party, wedding, intimate gathering or business celebration.

Influenced features founding vocalists Gina P and Lisa Michelle and a roster of incredible performers from Toronto's vast community of powerful soul singers & musicians. Our performances celebrate the BEST... with the best!
